

Welcome to SSC Co-op Open Registration!

To register your **newly enrolling** child for the 2017-18 school year, please use one of the options below and pay a \$75 non-refundable registration fee. You have until **February 28th** to register your child during Open Registration. Students with siblings that are currently enrolled will have priority over new families, and with this consideration, registrations received by the deadline will be processed equally and a lottery will be used when more families register for a class than space accommodates.
