

Welcome to SSC Co-op Priority Registration!

To register your **currently enrolled** child for the 2019-20 school year, please use one of the options below and pay a **\$85 non-refundable registration fee**. You have until **January 31st** to register your child to use your priority. We do not process the registration forms until the deadline and a lottery is used when more families register for a class than space accommodates. Newly enrolling children, including siblings of children currently enrolled, will register during February using an Open Registration Form, available at the beginning of February.

Registration Fee Assistance

For the 2019-20 year, the SSC Co-op Preschool PAC (Parent Advisory Council) is offering Registration Fee Assistance to families that find paying the non-refundable \$85 registration fee a financial hardship. There is no application for assistance, families determine their need at the time of payment. Assistance is limited and on a first come, first served basis.

Families that request assistance can choose partial assistance, and pay \$45 instead of \$85, or full assistance, and pay no registration fee at all. Families that pay \$45, and choose to pay online, will have the online fee waived.
